#### IMPORTANT

- All MATH tutors listed have achieved excellent results in 2 or more MATH papers.
- All STAT110/115 tutors listed have achieved an excellent result in the paper.
- STAT110 and STAT115 content is very similar so a tutor may be able to provide support for either or both courses.
- The current year's course details and exam requirements may differ from when a tutor took the course. Follow current guidelines only!

#### SOURCES OF FREE TUTORING YOU MAY WISH TO AVAIL YOURSELF OF (depending on your course):

- 1) The timetabled tutorials for your course
- 2) If your tutorials are 'open', attend as many as you wish
- 3) Some residential colleges provide tutors for certain courses; ask at your college
- 4) The Pacific Islands and Maori Centres may run supplementary tutorials for particular courses; enquire at the respective Centre
- 5) PASS - Peer Assisted Study Sessions for first year students <http://slc.otago.ac.nz/workshops-and-programmes/pass-peer-assisted-study-sessions/>
